The City has posted the fiscal year 2010 Comprehensive Annual Financial Report ('CAFR'), which includes the City's fiscal year 2010 audited financial statements. Pursuant to disclosure controls and procedures adopted by the City, the CAFR is required to be approved by the City's Audit Committee and received and filed by the City Council. Those additional procedures of the Audit Committee and the City Council have not yet occurred, and were they to result in any material changes to the CAFR, such changes will be highlighted in a subsequent posting. In addition, at such time as the additional procedures of the Audit Committee and the City Council have been completed, the City will file the fiscal year 2010 CAFR with EMMA (the Electronic Municipal Market Access system maintained by the Municipal Securities Rulemaking Board).
